USER STORY 1
As a user, I want to be able to search for information so that I can find what I need.
Acceptance Criteria:
- Search results are relevant to the user's query.
- Search results are easy to navigate.
- Search results are displayed in a clear and concise manner.
- Search results are updated in real-time.
- Search results are accessible from any device.

USER STORY 2
As a user, I want to be able to filter the search results so that I can find what I need.
Acceptance Criteria:
- Search results are filtered by relevance.
- Search results are filtered by date.
- Search results are filtered by location.
- Search results are filtered by type.
- Search results are filtered by status.

USER STORY 3
As a user, I want to be able to save search results so that I can find what I need.
Acceptance Criteria:
- Search results are saved to a database.
- Search results are saved in a clear and concise manner.
- Search results are saved in a secure manner.
- Search results are saved in a format that is easy to access.
- Search results are saved in a format that is easy to share.

USER STORY 4
As a user, I want to be able to share search results so that I can find what I need.
Acceptance Criteria:
- Search results are shared with other users.
- Search results are shared in a clear and concise manner.
- Search results are shared in a secure manner.
- Search results are shared in a format that is easy to access.
- Search results are shared in a format that is easy to share.

USER STORY 5
As a user, I want to be able to search for information so that I can find what I need.
Acceptance Criteria:
- Search results are relevant to the user's query.
- Search results are easy to navigate.
- Search results are displayed in a clear and concise manner.
- Search results are updated in real-time.
- Search results are accessible from any device.

USER STORY 6
As a user, I want to be able to filter the search results so that I can find what I need.
Acceptance Criteria:
- Search results are filtered by relevance.
- Search results are filtered by date.
- Search results are filtered by location.
- Search results are filtered by type.
- Search results are filtered by status.
